**RE: FY2023 July Monthly Financial Report**

Dear Mayor, Council President and Members of Council:

Attached is theJuly FY2023's Monthly Financial Report in accordance with Charter Chapter VIII, Section 5. (a)(1)(iii). The Report provides General Fund actuals as compared to budgetary information from the City's MUNIS financial management system.

The General Fund is the City's primary operating fund. The primary revenue sources are property taxes and intergovernmental revenue. Other revenue types include licenses and permits, interest and rental income, and charges for services. Expenditures are used to fund operating activities including personnel wages and benefits, education, debt service, professional services, insurance, repair and maintenance, supplies and materials, utilities, and other non-capital costs.

Generally Accepted Accounting Principles for municipalities do not provide for the systematic apportionment or allocations of revenues and expenditures to monthly accounting periods. Accordingly, the amounts in the City's MUNIS financial management system reflect the posting to various accounts in the accounting period that represents the recording period of a transaction - not necessarily the period that revenues are earned or expenditures are incurred.

At the conclusion of July, total revenues collected are $125.6 million representing 20.9% of the Adopted Budget. Total expenditures incurred are $45.4 million or 10.7% of the Adopted Budget. For further details regarding material variances to the Adopted Budget including the reason for the variance refer to the Monthly Financial Report to the Municipal Accountability Review Board.

The Finance Department welcomes the opportunity to respond to any questions that you may have regarding these reports.

Sincerely,

Leigh Ann Ralls
