(b) If the PHA answered yes for any element, describe the revisions for each element(s):

Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions:
The preference category of Redevelopment Displacement - to address the displacement of families residing in Bowles Park and Westbrook Village where relocation is triggered by redevelopment through new construction is being removed from the list of eligible preferences due to the fact that all the families in these properties have been relocated.

Rent Determination:
The City applied to HUD pursuant to PIH Notice 2021-34 for an expedited regulatory waiver under the good cause justifications that caused HUD to approve the waiver to allow for the establishment of setting the payment standards up to 120% of the Small Area Fair Market Rent (SAFMR). Therefore, the payment standards have been increased to 120% of the SAFMR up until 12/31/22 from HUD’s approval date for each unit size by zip codes.

The City’s believes that the increase in the payment standards will better align with the current market rents being charged in Hartford’s housing market. This course of action will allow the City to utilize the maximum amount of available federal resources in providing housing to people experiencing homelessness, seniors, individuals with disabilities, and families with children. This approved waiver will furthermore help households secure housing and it will also help to offset where the 2022 SAFMRs have decreased allowing for more options for families looking to use their housing vouchers, particularly in areas of opportunity.

B.2 New Activities. – Not Applicable
B.3  Progress Report.

Provide a description of the PHA’s progress in meeting its Mission and Goals described in its 5-Year PHA Plan.

The COHHA has effectively administered its programs to provide for the housing needs of the low-income populations as evidenced by its continuous high SEMAP scores, homeownership participants and continued steps to assist expansion of housing opportunities within its jurisdiction including using the highest payment standards and gaining approval from HUD for an expedited waiver to go to 120% for the payment standards.

The COHHA applied to HUD’s Mobility Demonstration Grant on February 1, 2021; unfortunately, the COHHA was not awarded this grant.

The COHHA applied and received 50 Emergency Housing Vouchers (EHV) under President Biden’s American Rescue Plan Act. Currently it has issued all the 50 EHV’s to the targeted population as outlined in its administrative plan and MOU with its COC partners. The COHHA’s EHV program was recognized nationally by HUD as a leader in expediting lease up of the allocated EHV’s.

COHHA will continue to expand the supply of assisted housing as they become available.

The COHHA will continue to consider adding additional PBV awards to encourage the development of quality, affordable housing in downtown structures for qualified income eligible households on the COHHA’s rental assistance waiting list and that will be accessible to all the amenities that downtown has to offer.

The COHHA met the goal of opening its HCV wait list in the month of February 2021. It received over 8,700 online and paper applications from 2/19/21-2/25-21, and it selected 4,000 applicants via a computer-generated lottery. The COHHA has issued approximately 533 within the previous six months and has leased approximately 371 households.

The COHHA will continue and is committed in meeting the goals and objectives outlined in its 5-Year PHA Plan.
