## 59 Deerfield Street

Frederick and Nicholas Thyme, father and son, migrated from Jamaica in 2008 in search of the American Dream. In July 2017, Frederick purchased this fire damaged, two-story, single Historic family home in the Upper Albany neighborhood bringing him one step closer to attaining his dream of homeownership.

The City partnered with the Hartford Community Loan Fund to provide him with financing and a local minority contractor, C.F. Reid Construction, LLC, to renovate the home. This project is slated to be completed by Summer 2020.

The completion of the project will allow the Thyme's to call Hartford home, and is in line with the City's mission of stabilizing neighborhoods, increasing tax revenue, and preserving Hartford's housing stock.
