THE CITY OF HARTFORD, CONNECTICUT AND LOCAL 1716 COUNCIL 4

LOCAL 1716, COUNCIL 4 AMERICAN FEDERATION OF STATE, COUNTY AND MUNICIPAL EMPLOYEES, AFL-CIO

PREAMBLE

The following Agreement, by and between the City of Hartford, Connecticut, hereinafter referred to as the City, and Local 1716, Council 4, American Federation of State, County and Municipal Employees, AFL-CIO, hereinafter referred to as the Union, is recorded in written form to meet the requirements as set forth in § 7-470 (c) in the Municipal Employees Relations Act of the General Statutes of Connecticut. This Agreement is designed to provide for an equitable and peaceful procedure for the resolution of differences in accordance with the grievance procedure specified herein, in order to maintain and promote a harmonious relationship between the Union and the City and to encourage a more effective Service in the public interest.

RECOGNITION

The City recognizes the Union as the sole and exclusive bargaining agent pursuant to certification granted by the Connecticut State Board of Labor Relations June 29, 1966, (M.E. 1412), February 15, 1968, (M.E. 1653), February 27, 1975, (M.E. 2988), September 24, 1975, (M.E. 3175), and (M.E. 3190), March 10, 1976, (M.E. 3251) and October 27, 1993 (M.E. 14,924) for the purpose of collective bargaining on matters of rates of pay, wages, hours and other conditions of employment for all of its employees in the bargaining unit described in Appendix A. Any supervisory class which is later established or any present class which is later reconstituted as a supervisory class shall be excluded from the bargaining unit.

The Union recognizes the Mayor or his/her designated representative or representatives as the sole representative of the City of Hartford for the purpose of collective bargaining. The Union further agrees to bargain in good faith with the Mayor on all matters relating to wages, hours and other conditions of employment.

ARTICLE I NON DISCRIMINATION

The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination because of age, sex, marital status, race, color, religion, creed, national origin, political affiliation, union membership, sexual orientation, disability or other protected classification under federal, state or local law.

ARTICLE II MANAGEMENT RIGHTS

Except as otherwise abridged or modified by any provision of this Agreement, it is the right of the City, acting through its departments and agencies, to determine the standards of service to be offered by its departments and agencies; determine the standards of selection for employment; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of governmental operations; determine the methods, means and personnel by which the City's operations are to be conducted; determine the content of job classifications; exercise complete control and discretion over its organization and the technology of performing its work; and fulfill all of its legal responsibilities. The above rights, responsibility and prerogatives are inherent in the Court of Common Council and the Mayor by virtue of statutory and charter provisions and cannot be subject to any grievance or arbitration proceeding except as specifically provided for in this Agreement.

ARTICLE III PRIOR RIGHTS OR BENEFITS

Nothing in this Agreement shall be construed as abridging any right or benefit that employees have enjoyed heretofore, provided such right or benefit is not superseded by the terms of this Agreement. This provision shall not preclude the right of the Mayor to make reasonable changes in any unreasonable prior right or benefit provided that the Union shall have access to the grievance procedure. Before any changes are made the City will discuss such changes with the Union Negotiating Committee.

ARTICLE IV UNION SECURITY

SECTION 4.00 CHECK OFF

The City agrees to deduct from the pay of all employees covered by this Agreement, who authorize such deductions from their wages in writing, such membership dues and initiation fees as may be uniformly assessed by the Union. Such deductions shall continue for the duration of this Agreement. When an employee does not have sufficient money due to him/her, after deductions have been made for pension or other deductions required by law, Union dues for such deduction periods shall be deducted in the first (1st) due's deduction pay period in which the employee has sufficient funds due to him/her. It is also agreed that neither any employee nor the Union shall have any claim against the City for errors made in the processing of deductions unless a claim of error is made in writing to the City within sixty (60) calendar days after the date such deductions were or should have been made. It is also agreed that the obligation of the City for funds actually deducted under this section terminates upon the delivery of the deductions so made to the person authorized to receive such amounts from the City.

The Union agrees to indemnify and hold harmless the City for any loss or damages arising from the operation of this Section.

SECTION 4.01 DEDUCTION PERIOD

The deduction period for any month shall be made during the fourth (4th) payroll week of said month and shall be remitted to the Union, together with a list of names of employees from whose wages such deductions have been made, not later than the fifteenth (15th) day of the following month.

The City further agrees that all new employees shall be given a dues check off card and a memorandum from the Union President at the time of the employee's enrollment in the City's insurance program. The City shall also provide the Union with the work site location of new employees whenever it is practicable to do so.

SECTION 4.02 AGENCY SHOP

All present employees occupying positions in classifications listed in Appendices B and C must either retain their membership for the duration of this Agreement to the extent of paying the monthly dues uniformly required of all members as a condition of continued employment and all new employees must become and remain members of the Union for the duration of this Agreement to the extent of paying an initiation fee and the monthly dues uniformly required of all members as a condition of continued employment, or all present employees must for the duration of this Agreement pay the equivalent of monthly dues in the form of a service charge to the Union as a condition of continued employment and all new employees must pay the equivalent of the initiation fee and monthly dues for the duration of this Agreement as a condition of continued employment within thirty (30) days of their entry into a bargaining unit class. The Human Resources Department will supply the Union President a list of all new employees monthly.

The Union agrees to indemnify and hold harmless the City for any loss or damages arising from the operation of this Section.

SECTION 4.03 NO LOCK-OUT; NO STRIKE

The City agrees that there will be no lock-out of any employee or employees at any time. The Union agrees it will not call or support any strike, work stoppage or work slowdowns against the City at any time.

SECTION 4.04 PEOPLE DEDUCTION

The City agrees to deduct from the wages of any employee who is a member of the Union a PEOPLE deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to both the City and the Union. The City agrees to remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount deducted during the period covered by the remittance.

ARTICLE V DEFINITIONS

The following terms used in this Agreement shall have the following meanings:

- A. Employee means a full-time, permanent employee who has completed his/her probationary period.
- B. Part-time employees in the bargaining unit shall be determined in accordance with the certification dated June 29, 1966, and the stipulation on file with the State Board of Labor Relations.
- C. Paragraph headings used in this Agreement are for reference purposes only and shall not be used to interpret the language of the Agreement.
- D. For purposes of this Agreement, an employee claiming a domestic partner must have notified and placed on file with the Human Resources Department a valid certificate of domestic partnership as is on file with the City of Hartford Town Clerk, pursuant to Section 2-63 of the Municipal Code of Hartford.

ARTICLE VI CLASSIFICATION PLAN

SECTION 6.00 MAINTENANCE

The City maintains a classification plan for the classification of positions in the bargaining unit. For the purposes of this Agreement, the classification plan shall be the one in effect on the effective date of this Agreement. The classification plan consists of class specifications, class relationship material and other related materials. The classification plan shall clearly and concisely set forth for each class of position: the official class title; class code; nature of work; illustrative examples of work; desirable knowledge, abilities and skills; and desirable experience and training.

SECTION 6.01 CHANGES

When the City creates new class specifications or makes other than minor changes in existing class specifications for the purpose of normal maintenance of the classification plan, the City and the Union shall negotiate appropriate pay rates and ranges.

Such new or revised class specifications shall become effective when the pay range for the class has been established through negotiations. The City will give the Union a copy of any new or revised class specifications.

SECTION 6.02 REVIEW OF POSITIONS

Any employee may make a written request for a review of the classification of his/her position through his/her department head to the Director of Human Resources provided that no such review had been made during the previous twelve months. The City will give a formal decision on such requests within six (6) months following receipt of the request in the Human Resources Department, unless such time limit is extended by mutual agreement of the City and the Union. Any differences,

disputes or controversy concerning the classification of individual positions in the bargaining unit shall be resolved through the grievance procedure at Step 3; provided, however, that grievances involving requests for reclassification from one existing classification in the bargaining unit to another existing classification in the bargaining unit may be submitted to arbitration.

SECTION 6.03 INTERPRETATION OF CLASS SPECIFICATIONS

Class specifications will be interpreted in their entirety and in relation to others in the unit classification plan. Particular phrases or examples shall not be isolated and treated as full definitions of a class. The phrase "Related Work as Required" shall mean duties related to those stated in the class specification under Illustrative Examples of Work. The phrase "Routine Maintenance Tasks" in the class specifications for the skilled trades classes shall mean minor maintenance tasks below the journeyman level in the other trades classes.

SECTION 6.04 EFFECT OF REALLOCATION OF POSITIONS

A regular employee who is occupying a position reallocated to a higher class shall be permanently appointed to the position only if he/she successfully completes a working test probationary period of sixty (60) days. If the position is reallocated to a lower class the employee in that division and class with the lowest seniority shall be reclassified to the lower class and assigned to the reallocated position.

Any employee so affected by this provision shall be certified first (1st) to the next vacancy in the department in the class from which he/she was reallocated. If more than one employee in the same division and class are so affected, they shall be reappointed to the class in which they were serving when reclassified in the order of their seniority as vacancies occur.

When, after the written request of an employee or the department head, it is found that an employee through his/her own initiative and intelligent application develops a position warranting a new or different class such employee shall be permanently appointed to the position only if he/she successfully completes a working test probationary period of sixty (60) days.

SECTION 6.05 USE OF NEW AND REVISED TITLES

No person shall be appointed to or employed in a position under a new or revised class title until a pay range for such class has been established as provided in Section 6.01 of this Agreement.

ARTICLE VII COMPENSATION

SECTION 7.00 PAY RATES

The general wage increases for the term of this Agreement shall be as follows:

Assistant Park Operations Section Leader	Lead Mason
Assistant Sanitation Section Leader	Machine Shop Mechanic II

Carpenter	Parking Meter Servicer
Cement Finisher	Plumber
Cemetery Sexton	Senior Gardener
Electrician I	Steamfitter
Electro-Mechanical Technician	Tire Repairer
Equipment Mechanic (Parks)	Tree Trimmer II

The actual pay rates and ranges are outlined in Appendix F.

Salary increases provided in this Section shall not be granted to employees who are being paid at rates above the maximum rate for their classification (red circle rates).

The City and the Union agree to form a committee in July 2013 to review the job descriptions and salaries of the Clerical, Early Learning Center Teacher and Early Learning Center Teacher Assistant classifications. Any findings may be the subject of negotiations for the contract beginning July 1, 2015.

SECTION 7.01 MINIMUM AND MAXIMUM RATES

During the term of this Agreement, except as elsewhere provided, no positions in the bargaining unit classified service shall be assigned a salary higher than the maximum or lower than the minimum salary provided for the class of position.

SECTION 7.02 NEW PAY RATES

On the effective date of any pay increase each employee in the affected classes shall be adjusted to the new hiring rate or to the growth step next higher to the present salary rate in the amended range; provided, however, that the appointing authority may withhold granting the general increase during an employee's probationary period. Any such increase shall be granted at the successful completion of the probationary period and such increase shall be made retroactive to the date of the general increase.

SECTION 7.03 ADMINISTRATION

The pay plan shall be administered in accordance with the following provisions:

- A. The Payroll Period: The standard payroll period shall be from 8:00 a.m. Sunday until 8:00 a.m. the following Sunday. Any bargaining unit member may voluntarily convert to a bi-weekly payroll period.
- B. The Effective Date: The actual effective date of salary increases and other changes that affect the computation of weekly earnings shall be the date specified if Sunday, or the Sunday beginning the pay period that immediately follows the date specified.
- C. The Hiring Rate: The hiring rate of pay for initial employment shall normally be paid upon appointment to the class. Appointment rates above the hiring rate may be paid if the appointing authority submits to the Director of Human Resources a written request and proof that a prospective employee is entitled to a higher wage rate. Justification for approval will be limited to recognition of extraordinary qualifications of an eligible or lack of available eligibles at the hiring rate. In the event that a new employee is appointed at a higher rate because of a lack of available eligibles, the pay of present incumbents of the class shall be advanced so that no present employee is receiving a rate of pay less than that of the new appointee.
- D. Growth Increments: Salary increments recognizing normal growth within established ranges shall be as provided for in the pay plan attached hereto as Appendix F during the month on which the anniversary date of appointment of the employee to the class occurred. Employees appointed on or before the fifteenth (15th) of the month and who have displayed normal growth shall be paid approved growth increments effective on the first (1st) of that month. Employees appointed after the fifteenth (15th) of the month shall receive the approved growth increment on the first (1st) day of the succeeding month. Employees shall be granted growth increments unless the department head certifies that the employee has not demonstrated the growth normally expected for the class. Growth increments shall not be more often than provided for by the growth frequency.

E. Exceptional Service Increments: Increments for exceptional service shall be paid on recommendation of the department head supported by a convincing showing in writing of exceptional service as related to specific criteria to be recommended by each department applicable to its own work and approved by the Director of Human Resources. Recommendations of the department head for exceptional service awards must be approved by the Director of Human Resources and the Chief Operating Officer.

The increments shall be granted by awarding an amount of five percent (5%) or ten percent (10%) of the employee's base rate which may be authorized for periods of three (3), six (6), nine (9), or twelve (12) months and will automatically terminate on the expiration of the authorized time unless renewed by the same procedure as is required for original approval.

This provision shall not be used by the City to subvert other terms of this Agreement.

- F. Total Remuneration: Any wage or salary rate established for an employee shall represent the total remuneration for the employee, not including reimbursement for official travel. Except as otherwise provided in this Agreement, no employee shall receive pay from the City in addition to the wage or salary provided for in this Agreement. No reward, gift, fee or other form of remuneration in addition to regular compensation shall be received from any source by employees for the performance of their duties. If a reward, gift, fee or other form of remuneration is made available to any employee, it shall be donated to a charity mutually agreed upon by the City and the Union.
- G. Pay for Part-Time Work: Employees working less than a regular work week shall be paid the equivalent hourly rate of pay established for the class. Any part-time employee who was paid at a higher hourly rate of pay as of June 30, 2009 will be grandfathered at the higher hourly rate of pay for as long as he/she remains in that part-time class.
- H. Pay Rates in Transfer, Promotion or Assignment: Employees transferred from one position to another for any reason, shall receive their present rate of pay. Employees promoted or assigned to a higher class shall receive an increase in pay to the next higher growth step.

In the case of assignments to a higher class such change will be made if the assignment is for one week or more, or for a total period of forty (40) hours or more if required on a regular basis and the payment will be retroactive to the beginning of such period; provided, however, that an employee assigned to one of the following jobs shall receive the established rate for such job for each full hour or more so assigned: Heavy Truck Driver, Light Truck and Tractor Operator, Crane Operator, Equipment Operator, Motor Sweeper Operator, Power Shovel Operator, Public Works Dispatcher, Sanitation Laborer, Automotive Servicer, Parking Meter Servicer, Stationary Engineer, Weigher, Delivery Driver, Tire Repairer, Heavy Equipment Operator, Sanitation Crew Leader, Photostat Operator, Cashier, Switchboard Operator, Keypunch Operator, Tabulating Equipment Operator, Offset Press Operator, Welder-Blacksmith, Voting Machine Technician, Radio Technician I, Health Education Artist, Laboratory Assistant, Deputy Sealer of Weights and Measures, Building Inspector I, Electrical Inspector I, Heating and Refrigeration Inspector I, Plumbing Inspector I and Blacksmith.

The past practices in compensating employees under this paragraph shall continue for the term of this Agreement.

Employees shall not be rotated on assignments for the purpose of avoiding payments at the higher rates.

Assignment to a higher class means that an employee has been assigned to a class with a higher pay rate either because of the absence of an employee who is classified in the higher class or because operating requirements present the need for such duties to be performed for a period of time.

An employee will not be assigned to a higher class unless he/she is qualified to perform the duties of the higher class; provided, however, that this is not intended to preclude training assignments in accordance with the provision of Section 14.16 of this Agreement.

- I. Voluntary Demotions: If the employee's salary is higher than the maximum for the class, he/she shall be placed at the maximum salary for the class to which he/she is demoted. If his/her salary is less than the maximum for the class, he/she shall be placed in the next lower step in the new salary range.
- J. Demotions for Physical or Mental Reasons: An employee may be demoted for physical or mental reasons to a lower classification without loss of pay; such action may be initiated by the department head if he/she certifies that such employee is physically or mentally incapable of performing his/her current duties. Such demotion without loss of pay becomes effective only after approval by the Director of Human Resources.
 - K. All pay-related checks will be direct deposited.

SECTION 7.04 OVERTIME

Time and one-half the employee's regular hourly rate of pay shall be paid once for work under any of the following conditions:

- 1. All work performed in excess of eight (8) hours in any work day.
- 2. All work performed in excess of forty (40) hours in any work week.
- 3. Effective February 8, 2018 (the approval of the 2015-2021 Collective Bargaining Agreement), sick leave shall not count toward hours worked for purposes of time and one-half overtime.
 - 4. All work performed on Saturday and/or Sunday except as noted below.
- 5. The overtime rate specified above for Saturday and Sunday work shall not be paid to employees who are regularly scheduled to work on Saturdays and Sundays. These employees shall be paid one and one-half (1½) for all work performed on the sixth (6th) and/or seventh (7th) day of their regular work week. Effective July 1, 1989, bargaining unit members who work the seventh (7th) day of their work week and who have worked on each of the preceding six (6) days of their work week

shall be paid at double their regular hourly rate of pay for each hour of work performed on the seventh (7th) day.

6. Overtime shall be distributed equally among qualified full-time employees holding the same job classification within the Division except in those situations in which the peculiar requirements of the job require that employees regularly performing the work should complete the particular assignment. Callback resulting in overtime shall be granted to the first (1st) qualified worker contacted according to the above procedure. Employees not contacted shall not be charged with overtime. A record of overtime hours worked by and charged to each employee in the bargaining unit shall be posted monthly on the Union bulletin boards. Such record shall also be sent monthly to the Union President.

Effective February 8, 2018 (the approval of the 2015-2021 Collective Bargaining Agreement), overtime in the Public Works Department will continue to be equally distributed as set forth in the above, except for the Parks Division, which will now be distributed within the Parks Division as a whole rather than sub-units. The Divisions of the Public Works Department are:

- o Parks
- o Streets
- Sanitation
- o Fleet/Equipment Maintenance
- Facilities
- o Flood
- o LSNI

The Union will be given a list of all overtime hours, including hours charged, for each employee annually.

- 7. Employees who do not avail themselves of the opportunity to work overtime shall be charged with the scheduled overtime on the overtime chart as though they had worked.
 - 8. Overtime work shall be given to employees in the following order:
 - a. Full-time permanent employees
 - b. Full-time probationary employees
 - c. Part-time employees
- 9. An employee may be required to work overtime where no other suitable employee is willing or practicably available and the employee has no justifiable excuse, provided that the overtime is authorized by the department head.

In the event there exists an emergent circumstance which requires additional employees to work overtime, the department may require, at its discretion, that the least senior employees in the affected classifications work the overtime. Emergent circumstance is defined as one in which the health, safety or welfare of the City or its residents is involved or where there is a clear commitment that the City perform.

ARTICLE VIII METHOD OF FILLING VACANCIES

SECTION 8.00 TEMPORARY ASSIGNMENTS

Permanent employees may be assigned to temporary positions of a comparable nature where such assignments involve neither promotion nor demotion. Assignments of permanent employees to temporary positions for periods of more than two (2) weeks shall be by seniority. For the purpose of this Section bidding by seniority will be used. If this fails, the reverse order of seniority may be used. Any permanent employee so assigned shall return to his/her former position when a temporary position is discontinued.

SECTION 8.01 TRANSFERS

Employees wishing to be transferred to a position in the same class in another department or division shall so notify the Director of Human Resources who shall maintain lists of such employees. Such transfers shall be made as follows: If employees wish certification to the vacancy, the Director of Human Resources will notify the head of the department where the vacancy exists by forwarding a list of names of employees who appear on the appropriate transfer list in order of their seniority. A certification shall list no more than one (1) name for each vacancy plus two (2) additional names. The department head will interview the employees referred to him/her and if he/she finds one (1) or more satisfactory to him/her, he/she will make the appointment and notify in writing the employee and the Director of Human Resources. The department head shall make his/her decision within three (3) weeks of receipt of the certification. If the employees so referred are rejected by the department head or if no employees are available for transfer, the Director of Human Resources will proceed to fill the vacancy according to the regular certification procedure. No person shall be transferred to a position for which he/she does not possess the minimum qualifications. Names will be certified by order of seniority. Only regular full-time employees shall be eligible for transfer.

For transfers to vacancies within the same division, the department head will select the most senior employee who has applied for transfer and who meets the qualifications for the position. The employee so transferred will serve a trial period of fifteen (15) workdays.

SECTION 8.02 TEMPORARY APPOINTMENTS TO TEMPORARY OR PERMANENT POSITIONS

When a temporary or permanent position is established and cannot be filled by the assignment of a regular employee or from an existing employment list, the Director of Human Resources may authorize the appointment of a temporary employee. Such temporary employee shall not be considered eligible for any of the benefits provided for in this Agreement for employees in the bargaining unit except that the pay rate for temporary employees shall be the same as for regular classified employees of the bargaining unit. Temporary appointments shall be for a period not to exceed ninety (90) days and shall not be renewed.

ARTICLE IX PROBATIONARY PERIOD

SECTION 9.00 DURATION OF PROBATIONARY PERIOD

Every person appointed to a regular position in the unit shall be required to complete successfully a working test during a probationary period. The working test (probationary period) shall begin immediately upon regular appointment and continue for a period up to six (6) months.

All probationary periods specified herein may be extended for up to three (3) months. Any extension of the probationary period must be made by the department head with notification to the employee and the Council 4 representative at least two (2) weeks before the end of the probationary period. If the Council 4 representative does not concur in the extension, he/she shall notify the department head within three (3) days of receipt of the notice.

Upon receipt of the notice, the probationary period shall be terminated in accordance with Section 9.01 and 9.02. During the probationary period employees shall have no seniority but upon completion of the probationary period, their names shall be added to the seniority list from the date of appointment. Such probationary employees shall be subject to all other provisions of the Agreement unless specifically prohibited.

SECTION 9.01 EVALUATION OF PERFORMANCE

At the end of the first (1st) month of employment during the probationary period and at intervals of one (1) month thereafter for the duration of the probationary period, a probationary report shall be prepared by the supervisor, reviewed by the department head and forwarded to the Director of Human Resources. Such report shall give an accurate and fair appraisal of the employee's work, his/her willingness and ability to perform his/her duties satisfactorily and observations concerning his/her habits and dependability. A copy of the report shall be given to the employee and to the Union if it requests it.

If the employee is not informed to the contrary prior to the end of his/her probationary period, he/she will be continued as a permanent employee. If he/she is not to be made permanent, he/she will be given two (2) week's notice which will, if necessary, continue beyond the end of the probationary period.

SECTION 9.02 DISMISSAL

At any time during the probationary period, the appointing authority may recommend in writing to the Director of Human Resources the removal of an employee, if in his/her opinion, the working test indicates that such employee is unable or unwilling to perform the duties of the position satisfactorily or that his/her habits and dependability do not merit his/her continuance in the service. Such recommendation of the appointing authority and the reasons therefore shall be in writing to the Director of Human Resources with a copy to the employee and to the Union if it requests it. No employee shall be removed from a position during his/her probationary period without the approval of the Director of Human Resources. Any employee so removed shall not have access to the grievance procedure. An employee who is found to have been appointed through fraud or error shall be removed

within ten (10) days of notification to this effect by the Director of Human Resources to the appointing authority.

SECTION 9.03 RESTORATION OF DISMISSED EMPLOYEE TO APPROPRIATE LIST

If an employee is removed from his/her position during, or at the end of, his/her probationary period and the Director of Human Resources determines that he/she is suitable for appointment to another position, his/her name may be restored to the list from which it was certified. An employee appointed from a promotional list who does not successfully complete this probationary period shall be reinstated in a position in the class occupied by the employee immediately prior to his/her promotion. If no vacancy in that class exists at that time, then the provision governing layoff shall be applied.

Present work schedules shall remain in effect unless changed. The City may schedule first shift operations within the hours of 7:00 a.m. and 5:00 p.m.; second shift operations within the hours of 12:00 p.m. and 9:00 p.m. (in the Parks Division and Recreation Division only) and/or 3:00 p.m. and 1:00 a.m.; and third shift operations between the hours of 11:00 p.m. and 9:00 a.m. Exceptions to the above are shown in Appendix B, provided the City shall have the right to change the exceptions to normal shifts. Schedule changes will be for a reasonable period of time but in no case less than one (1) week.

Employees who are assigned to work an eight (8) hour day shall be allowed to take two (2) breaks not to exceed fifteen (15) minutes each (one in the morning and one in the afternoon). Such breaks cannot be combined with each other or combined with the lunch break.

Employees shall regularly take their scheduled lunch breaks. On a case-by-case basis, exceptions may be made. An employee may only work through his/her lunch break with advance permission of his/her supervisor.

The work schedule will be Monday through Friday except:

- 1. In waste collection, which is Monday through Saturday, and
- 2. In the following operations which are seven (7) days per week and twenty-four (24) hours per day unless otherwise noted:

Equipment Maintenance and Services

Street Cleaning

Flood Control

Recreation (Sunrise to 10:00 p.m.)

A. Normal shifts to regular full-time employees.

As park employees are hired or promoted, they will be assigned to schedules requiring regular weekend work, which may include either Saturday or Sunday or both days as part of the regular work week.

Employees presently assigned to such schedules will be returned to a Monday through Friday schedule on a gradual basis as park employees newly hired or promoted are assigned to regularly scheduled weekend work. Employees in the appropriate job classifications will be assigned to regularly scheduled weekend work on the basis of least total seniority with the department.

B. Shifts between sunrise and sunset for part-time and seasonal employees.

Part-time and seasonal employees are employed to provide services of a part-time, intermittent or seasonal nature which are not normally performed by regular full-time employees and may be scheduled without regard to these provisions.

Any shifts scheduled except as above shall require prior agreement between the City and the Union.

Normal hours for bargaining unit members working in the following offices and divisions, tax collector, assessor's office, town clerk's office, vital records division of the health department, licenses and inspections, and registrar of voters, may, at the option of the City, include an extended day of work on Thursdays from 8:00 a.m. to 8:00 p.m., exclusive of lunch and dinner periods with one (1) hour for lunch and a half (½) hour for dinner. Employees who work the full extended Thursday schedule will work from 8:00 a.m. to 12:00 p.m. on Friday of the same week. Employees will be scheduled to work an extended day on a rotating volunteer basis, however, if there are insufficient

volunteers in any given week, the least senior member of the bargaining unit will be assigned to work the extended hours.

In the event that Friday of any given week is a contractual holiday, employees who have worked the full extended Thursday schedule shall be paid for such Thursday extra hours in accordance with Section 7.05, and shall have said Friday off, otherwise, this Section is not applicable. Accrued time off taken on a Friday of a week in which an employee has worked the full extended Thursday schedule shall be charged at the rate of four (4) hours for the full Friday off. Employees who work beyond 12:00 p.m. on Friday of a week in which they have worked the full extended Thursday work schedule shall be paid in accordance with Section 7.05.

This extended Thursday work schedule is intended to provide office services to citizens who would not have access to City Hall during traditional business hours. It is not the City's intent to begin providing inspectional services on Thursday nights or to avoid overtime payments for such inspectional services when needed.

The City will not schedule split shifts or shifts which provide for other than five (5) consecutive work days unless agreed to by the Union. Any proposed changes in the split shifts or rotating split schedules on a seven (7) day basis that have been mutually agreed to must be approved by the Union before the changes are put into effect, provided that the City shall have the right to change such schedules to normal shifts. Any split shifts or split schedules agreed to will be defined in a memorandum of understanding.

SECTION 10.01 VACATION

Each employee in the bargaining unit shall accumulate during and after his/her probationary period vacation leave with pay on May 1st according to the following schedule:

- E. All bargaining unit members will accumulate vacation during the months of July through April each fiscal year.
- F. For the purpose of computing vacation leave the calendar month shall be used, except that a person appointed on or before the fifteenth (15th) of any month shall be considered as having been appointed on the first (1st) day of the month, and those appointed after the fifteenth (15th) of any

month as having been appointed on the first (1st) day of the succeeding month. Effective February 8, 2018 (the approval of the 2015-2021 Collective Bargaining Agreement), vacation leave may be taken in one-hour increments. Employees must take all vacation leave earned or one (1) week whichever is less during the fiscal year following the May 1st on which it is earned. Additional earned vacation leave may be carried over from one (1) fiscal year to the next to permit a maximum accumulation of not more than forty (40) days.

Any carryover in excess of thirty (30) days must be requested in writing and approved by the employee's department head.

- G. Vacation leave shall be granted by mutual agreement between the employee and the department head. Employee preference for vacation schedule shall be granted on the basis of seniority by class. With the approval of the department head, all accrued vacation may be taken at one time.
- H. Holidays, as provided in this Agreement, occurring during vacation leave, shall not be charged against vacation leave but shall be granted as another day off at a time mutually agreed upon.
- I. Effective January 1, 2009, the practice of allowing employees to receive vacation pay advances shall cease.
- J. In the event of death of an employee, the spouse and/or minor children shall receive the accrued vacation pay earned by the employee. Where the employee has neither a spouse nor minor children and has notified the Human Resources Department that a valid certificate of domestic partnership is on file with the City of Hartford Town Clerk, pursuant to Section 2-63 of the Municipal Code of Hartford, the domestic partner shall receive the accrued vacation pay earned by the employee. In the event the employee has neither a spouse, nor minor children, nor a domestic partner, the pay will be paid to the estate of the deceased employee.
- K. Employees who are separated from the City and who have accrued vacation to their credit at the time of separation shall be paid the salary equivalent to the accrued vacation leave. Vacation leave accrued during the fiscal year in which the employee is separated will not be paid if the employee is dismissed during his/her probationary period nor if the employee leaves without proper notice.

Effective February 8, 2018 (the approval of the 2015-2021 Collective Bargaining Agreement), any vacation lump sum payout shall not be used to extend an employee's last day of employment. The effective date of separation shall be the day immediately following the employee's last day of work.

SECTION 10.02 SICK LEAVE

A. Each employee in the bargaining unit shall earn ten (10) hours per month of sick leave with pay up to a total of one hundred and twenty (120) hours (fifteen (15) days) per year during and after his/her probationary period.

Effective July 1, 1998, bargaining unit members may accumulate sick leave up to a maximum of one hundred and fifty (150) days. For those bargaining unit members whose accumulated total

exceeds one hundred and fifty (150) days as of July 1, 1998, they may continue to accumulate sick leave at the current accumulation rate to an unlimited maximum. Notwithstanding anything herein to the contrary, effective February 8, 2021 (the approval of the 2015-2021 Collective Bargaining Agreement), bargaining unit members may accumulate sick leave up to a maximum of one hundred and twenty (120) days.

- B. Except as provided in this Paragraph, sick leave cannot be advanced. In cases of extreme emergency, employees with good records, who through serious and protracted illness, have used up all accumulated sick leave, compensatory time off and vacation leave, an extension of sick leave beyond the maximums provided for in this Agreement may be granted on request of the department head and with the written approval of the Director of Human Resources. This provision shall be subject to the grievance procedure except that after Step 3, the matter shall be referred to the Mayor whose decision shall be final.
- C. In the event that a holiday falls while an employee is on sick leave due to a protracted illness which began prior to the holiday, the employee shall be granted an additional day off at a time mutually agreed upon between the employee and the department head provided that the illness is verified by a doctor's certificate.

SECTION 10.03 SICK LEAVE USES

Sick leave is to be used only for the purposes contained below. Any unauthorized use of sick leave shall be cause for disciplinary action.

- A. Personal illness, physical incapacity, or non-compensable bodily injury or disease. Disability related to pregnancy, childbirth and related medical conditions will be treated in the same manner as any other temporary disability. Sick leave for pregnancy, childbirth and related conditions will be granted on the same basis as other illnesses and disabilities.
 - B. Enforced quarantine in accordance with community health regulations.
- C. For a limited time only for illness, or physical incapacity in the employee's immediate family. Immediate family is defined for purpose of this provision to be father, mother, sister, brother, wife, husband, domestic partner or children related either by blood, marriage or adoption to the employee.
- D. To meet medical and dental appointments of emergency nature. In addition, sick leave may also be granted for a limited time for normal medical and dental appointments when an employee has made reasonable efforts to secure appointments outside of normal working hours provided that the department head is notified in advance of the day on which the absence occurs.
- E. Death of relatives or friends, marriage in the immediate family, celebration of religious holidays and christenings, graduation and similar ceremonies, where there is a clear family obligation to attend provided prior notification to the department head is submitted in writing giving full particulars in advance. A maximum of three (3) days a year under this provision shall be granted

except that it may be increased in situations beyond the employee's control upon approval of the Director of Human Resources.

- F. Expectant fathers shall be granted reasonable time required to make adjustments in family living conditions due to pregnancy of their wives and shall charge such time to sick leave.
- G. The City reserves the right to require proof of illness or other uses of sick leave as provided in this Agreement. For absences over five (5) days, the City may require proof of illness. For periods of five (5) days or less, the City will not normally require proof of sick leave unless, in the judgment of the department head or supervisor, there is a question of authorized usage. Proof of sick leave shall include a doctor's certificate, personal affidavit or other reasonable verification available to the employee. The City will normally require a doctor's certificate for absences of five (5) days or more. The supervisor may submit cases of unauthorized usage of sick leave for a period of less than five (5) days to his/her department head for action which will be subject to the grievance procedure at Step 3.
- H. In the event of suspected sick leave abuse or when an employee has established a pattern of absenteeism which may suggest sick leave abuse, the supervisor or department head shall require the employee in writing, on each subsequent occurrence of sick leave use, to provide a physician's statement verifying the legitimate use of such sick leave. This requirement will terminate at the end of six (6) months unless no improvement in attendance has been noted. In such event the requirement shall be renewed in writing. Failure to provide the physician's statement shall preclude the payment of sick leave claimed and may result in disciplinary action.
- I. Sick leave provided above shall be granted only if the requirements of these provisions are complied with and the initial report of illness or non-work related injury or disease is made no later than thirty (30) minutes before the employee's scheduled starting time, except that where a relief employee is required such report must be made no later than one (1) hour immediately prior to the employee's scheduled starting time. The employee must call out for each day of his/her absence. Sick leave may be taken in one-hour increments; however, at least 24-hour notice is required for use of sick leave taken in less than four-hour increments. At his/her discretion, a department head may waive the notice requirement of this Paragraph due to extenuating circumstances which have been documented and verified.
- J. Domestic partners who are primary care givers shall be allowed to use accumulated sick leave for a maximum of thirty (30) calendar days. If accumulated sick leave is exhausted prior to the thirty (30) calendar days the balance of the leave shall be without pay. In no case will a domestic partner be eligible for maternity or paternity, and primary care leave.
- K. Employees who are adoptive parents or the domestic partner of the adoptive parent shall be allowed to use accumulated sick leave for thirty (30) calendar days for adjustment in family living conditions. If accumulated sick leave is exhausted prior to the thirty (30) calendar days, the balance of the adoption leave will be without pay. Only the person primarily responsible for the child will be entitled to this leave. Employees wishing to take an adoption leave, must present copies of legal adoption papers as proof of such adoption. In the case of a domestic partner, proof of a valid

domestic partnership is required. Adoption leave will not be granted without the above documentation.

SECTION 10.04 SICK LEAVE DONATION

Effective July 1, 1998, bargaining unit members who have accumulated at least thirty (30) days of sick leave may donate a portion of their accumulated sick leave to other bargaining unit members with a record of meritorious service, who through serious and protracted illness have used up all of their accumulated sick leave and vacation leave. The Director of Human Resources shall authorize the donation and transfer of such sick leave provided the following conditions are met:

- a) The transferring employee shall have a minimum sick leave accumulation of thirty (30) days.
- b) No more than five (5) days of sick leave for every thirty (30) days of sick leave accumulated by the donating employee to a total donation of thirty (30) days shall be permitted between any two (2) employees.
- c) Sick leave, donated by one (1) employee to another, when used, shall be paid at the hourly rate of the donor or donee, whichever is less.
- d) No more than twenty (20) days of donated leave may be allowed to accumulate in any donee's name at any given time, provided if such donated sick leave should be reduced below twenty (20) days, additional donations may be made to restore the level of accumulated sick leave to twenty (20) days.

SECTION 10.05 PAYMENT OF ACCUMULATED SICK LEAVE AT DEATH OR RETIREMENT

- A. Full payment will be made by the City for any accumulated sick leave in the event of the death of the employee. Payment will be made to the estate of the deceased employee.
- B. Effective April 1, 1989, full payment will be made by the City to a City employee upon his/her retirement for the first (1st) fifty (50) days of accumulated sick leave or fifty percent (50%) of his/her total accumulation of sick leave, whichever is greater.

Notwithstanding anything herein to the contrary, effective February 8, 2021 (the approval of the 2015-2021 Collective Bargaining Agreement), payment will be made by the City to employees upon their retirement only in the amount of fifty percent (50%) of accumulated and unused sick leave or forty (40) days, whichever is less.

C. No payment will be made to an employee who vests his/her pension benefit and does not immediately begin receiving a pension from CMERS upon termination from the City.

SECTION 10.06 FAMILY AND MEDICAL LEAVE

Effective February 8, 2018 (the approval of the 2015-2021 Collective Bargaining Agreement), an employee who is an "eligible employee" as defined under the Federal Family and Medical Leave Act ("FMLA"), 29 U.S.C. §2601 et seq., shall be granted up to twelve (12) weeks of unpaid leave during a twelve (12) month period in accordance with the applicable provisions of the FMLA. Any accumulated paid leave time must be substituted for unpaid FMLA leave and exhausted first, and said paid leave shall be included in, and shall not be in addition to, the aforementioned twelve (12) weeks of allowable leave as permitted by the Act. The twelve (12) month period shall be measured from the twelve (12) months commencing on the date the employee first takes FMLA. A medical certificate as provided in the FMLA shall be required for FMLA leave situations. Employees on FMLA leave shall have the continuity of their employment preserved for seniority purposes.

Family and medical leave as provided under this Section will not run concurrently with workers' compensation absences.

SECTION 10.07 OTHER LEAVES OF ABSENCE WITH PAY

Employees shall be granted leave with pay at their current base rate for the following reasons:

A. Compensation for Injuries and Disease:

- (1) Each employee shall be compensated for any injury or occupational disease under the provisions of the Workers' Compensation Act of Connecticut. In addition to payments received under the Workers' Compensation act, any employee with six (6) months of continuous service shall receive payment from the City, which payment will equal the difference between his/her take home pay (gross base pay less deductions for pension, income tax and FICA) and the payments received under the Workers' Compensation Act not to exceed one (1) year. Notwithstanding anything herein to the contrary, effective February 8, 2018 (the approval of the 2015-2021 Collective Bargaining Agreement), the City's Workers' Compensation supplemental payment will not exceed six (6) months.
- (2) Each employee of the Health Department and municipal institutions who, during the performance of his/her duty, comes into contact with persons or animals afflicted with any infectious or contagious disease or who shall be required to handle any culture, collection or aggregation of agents capable of producing human disease shall be examined by a physician on behalf of the City prior to assuming such duties, and at regular intervals during his/her period of employment.

If found infected with any such contagious or infectious disease, contracted in such employ of the City, and when it can be established that such employee cared for or came in contact with a patient suffering from or an established carrier of the identical disease or with a culture collection, or aggregation of the specific infectious agent, such disease shall be deemed a personal injury arising out of and in the course of his/her employment, and such employee shall be entitled to all of the benefits to which an injured employee is entitled above. If the disease is not covered by the Workers' Compensation Act, the employee shall be compensated in accordance with Paragraph A above for a period not to exceed one year.

- (3) To receive additional payment from the City, the employee must enter into a written contract with the City whereby the employee assigns to the City any rights he/she may have against any other person who may be liable to pay damages as a result of the employee's injury or disease to the amounts actually paid by the City. The City shall only be entitled to be reimbursed for the amounts actually paid. It is understood that the employee specifically retains any and all claims against third parties for such injuries or disease which shall be in excess of amounts actually paid by the City.
- (4) No payments in addition to Workers' Compensation shall be paid when the personal injury shall have been caused by the willful and serious misconduct of the injured employee or by his/her intoxication or the improper or excessive use of drugs.
- (5) Injuries arising out of and in the course of employment shall be reported forthwith by the employee to his/her department head, or some person representing him/her, who, in turn, shall make a full report on prescribed form to the Director of Human Resources and other City authorities designated to handle compensation matters.

Effective November 1, 1999, bargaining unit members shall be covered under a workers' compensation managed care plan as approved by the State Workers' Compensation Commission, as presented to the Union during negotiations and as administered through the City's Insurance Carrier.

- B. Jury Duty: For required jury or any other civic duty requiring appearance before a court or other public body. Such employees shall receive that portion of their regular salary which will, together with their jury pay or fees, equal their total salary for the same period.
- C. Conventions: Six (6) duly accredited delegates of the Union, and not more than one (1) duly accredited delegate from each veteran's organization shall be granted leaves to attend state and national conventions of such organizations for a period not to exceed the length of such conventions plus one (1) additional day for travel to national conventions when required. The organization involved agrees to give the Director of Human Resources a list of the delegates and provide the dates and location of the convention.
- D. Training: With the approval of the Director of Human Resources, leave with pay may also be granted by a department head for the purpose of allowing a regular employee to engage in official training courses or to participate in other official activities.
- E. Military Training: Any employee who is a member of the National Guard, Naval Militia, or other reserve forces of the United States, and is required to undergo field training therein, shall be entitled to a leave of absence with pay for the period of such field training to a maximum of one (1) month, provided the amount of compensation paid to such employee for such leave of absence shall be the difference between his/her compensation for military activities as shown by a statement by military authorities giving his/her rank, pay and allowances and the amount of salary or wages due as an employee of the City. If the compensation for military service is equal to or greater than the salary or wages due as a City employee for the period covered by such military leave, then no payment

shall be made, except that normal payroll deductions for pension and insurance purposes shall be paid by the City during such leave.

F. Bereavement: Five (5) days special leave with full pay shall be granted for the death of an employee's spouse, child, parent, brother, sister, mother-in-law or father-in-law or domestic partner. Two (2) days special leave with pay shall be granted for death of an employee's grandparent, son-in-law, daughter-in-law, grandchild, brother-in-law, sister-in-law, or any relation who is domiciled in the employee's household.

SECTION 10.08 LEAVES OF ABSENCE WITHOUT PAY

- A. A department head, with the approval of the Director of Human Resources, may grant an employee a leave of absence without pay for a period not to exceed one (1) year for travel or study. Such leave shall be granted only when it will not result in undue prejudice to the interest of the City as an employer beyond any benefits to be realized. No leave without pay shall be granted except upon written request of the employee and a guarantee by the employee that he/she will serve the City for at least one (1) year after return from such leave. Whenever granted, such leave shall be approved in writing and signed by the department head and a copy filed with the Director of Human Resources and the Union President.
- B. Upon expiration of a regularly approved leave without pay, the employee shall return to work in the position held at the time leave was granted. Failure on the part of an employee on leave to report promptly at its expiration, without good cause, shall be considered as a resignation. No such leave shall be granted primarily in the interest of the employee except in the case of one who has shown by his/her record of service or by other evidence to be of more than average value to the City and whose service it is desirable to retain even at such sacrifice.
- C. Leaves of absence without pay may also be granted for a period of up to three (3) months upon written application to the Director of Human Resources stating reason for the request and with his/her prior approval.
- D. Leaves of absence without pay shall, upon request, be granted to any employee in order to serve in a Union position.

SECTION 10.09 PROCEDURE IN REQUESTING LEAVES

An employee requesting a leave of absence for any reason other than sick leave must fill out a request form and submit it to his/her department. Requests requiring the approval of the Director of Human Resources will be forwarded to the Department of Human Resources. Requests for vacation leave must be made far enough in advance to allow time to carry out this procedure.

SECTION 10.10 HOLIDAYS

The following holidays shall be observed as days off with full pay:

Good Friday Thanksgiving Day
Memorial Day Christmas Day
Independence Day New Year's Day

Labor Day Martin Luther King Day Veterans Day Lincoln's Birthday Columbus Day Washington's Birthday

Employees shall receive one (1) day's pay for each of the holidays listed above on which they perform no work provided the employee is on the payroll the day before and the day after the holiday unless excused in advance.

Whenever the holidays listed above shall fall on a Sunday, the following Monday shall be observed as the holiday.

Whenever the holidays listed above shall fall on a Saturday, the preceding Friday shall be observed as the holiday.

In addition to holiday pay, the employee shall receive two (2) times the regular hourly rate of pay for work performed on a holiday as follows:

- a. If the employee works on both the actual and the observed holiday, two (2) times the regular hourly rate of pay will be paid on the actual holiday and one and one-half (1½) times the regular hourly rate of pay on the observed holiday.
- b. If the employee works on either the actual or the observed holiday, the employee will be paid two (2) times the regular hourly rate of pay for the day worked.
- c. In a week involving a holiday, employees on a work schedule other than Monday through Friday may have five (5) scheduled work days that include neither an actual nor observed holiday. In such cases each employee, with the department head's prior approval based on staffing needs, may elect to take a regular work day off with pay during such week or the following week in lieu of receiving holiday pay.

SECTION 10.11 FLOATING HOLIDAYS

Effective July 1, 1995, and on each July 1st thereafter, two (2) floating holidays shall be granted to employees who have been employed by the City for the entire previous fiscal year.

Holiday leave under this Section shall be granted by mutual agreement between the employee and the department head, or designee. Employee preference for holiday leave shall be granted on the basis of seniority by class. With the approval of the department head, or designee, the two (2) floating holidays may be taken on consecutive days.

The two (2) floating holidays provided under this Section must be used within the fiscal year in which they are granted. They cannot be accrued and carried over to the next fiscal year.

ARTICLE XI SEPARATIONS

SECTION 11.00 LAYOFF

- A. Order of Layoff: Layoffs shall be made within the department affected, by classification and seniority by total length of full-time service with the City. No probational or permanent full-time employee shall be laid off while any part-time seasonal or temporary employee is still employed in the same class. No regular full-time employee shall be laid off while another person is employed on a probationary basis in the same class. In the event of a layoff, officers and stewards of the Union shall have superseniority.
- B. Notice of Layoff: A department head shall give written notice to the employee and to the Union of any proposed layoff and the reasons therefore at least fourteen (14) calendar days prior to the effective date of such action.
- C. Recalls: On recall after layoff, the last employee laid off shall be the first (1st) employee recalled. No new employee shall be hired in the class until all full-time and probationary employees have been recalled to work. Employees laid off shall have two (2) years recall rights.
- D. Ties in seniority will be broken by a review of the employees' attendance records for the twelve (12) months preceding the notice of layoff. Such review shall exclude legitimate Workers' Compensation claims, long term illnesses and bereavement leave.

SECTION 11.01 DISCHARGE

The City may discharge an employee for just cause. In doing so, the City must notify the employee and the Union in writing of the action against him/her. Any discharged employee who has completed his/her probationary period shall have the right to appeal his/her discharge starting at Step 3 of the grievance procedure and to have Union representation provided such appeal is made within ten (10) working days of the effective date of such action.

SECTION 11.02 RESIGNATION

To resign in good standing an employee must give the appointing authority at least fourteen (14) calendar days prior notice unless the appointing authority, because of extenuating circumstances, agrees to permit a shorter period of notice. A written resignation shall be supplied by the employee to the appointing authority giving reasons for leaving.

The resignation shall be forwarded to the Director of Human Resources with a statement by the appointing authority containing pertinent information concerning the cause for resignation. The Director of Human Resources shall supply the Union with a copy of such resignation upon request.

Failure to comply with this rule shall be entered on the service record of the employee and may be cause for denying future employment by the City. The resignation of an employee who fails to give notice shall be reported to the Director of Human Resources by the department head immediately. The Director of Human Resources may take steps to verify reasons for the resignation; he/she shall notify the employee in writing as to the acceptance of his/her resignation and shall notify the Finance Department of the effective date of the resignation. The City, upon request of the Union, will send a copy of the above letter to the president of the Union.

Permanent employees with a satisfactory record of service who resign their position may, on written request, withdraw such resignation within one (1) year from the effective date thereof and be placed on appropriate lists providing for consideration for re-employment in the same or comparable classification to the one resigned. The ranking of such employees on the list will be based on the same factors used for employees separated from the service. The eligibility of all candidates on re-employment lists will expire two (2) years from the date on which they became entitled to the re-employment rights.

ARTICLE XII DISCIPLINE

of a fee schedule (250%) developed by Cigna that is based on a methodology similar to one used by Medicare to determine the allowable fee for the same or similar The allowable covered expense for non-network services is based on the lesser of the health care professional's normal charge for a similar service or a percentage Maximum Reimbursable Charge, then data in the database for similar services may be used. Out-of-network services are subject to a Contract Year deductible and based on the lesser of the health care professional's normal charge for a similar service or a percentile (80th) of charges made by health care professionals of such service in a geographic area. In some cases, the Medicare based fee schedule will not be used and the maximum reimbursable charge for covered services is service or supply in the geographic area where it is received. If sufficient charge data is unavailable in the database for that geographic area to determine the maximum reimbursable charge limitations.

The allowable amount used to determine the Plan's benefit payment for covered Emergency Services rendered in an Out-of-Network Hospital, or by an Out-of-Network provider in an In-Network Hospital, is the amount agreed to by the Out-of-Network provider and Cigna, or if no amount is agreed to, the greater of the

The member is responsible for applicable In-Network cost-sharing amounts (any deductible, copay or coinsurance). If the Out-of-Network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

For maintenance medications (long-term), you are allowed one 30-day fill only at any participating retail pharmacy. After the first 30-day fill, you must fill your prescription through the CVS Caremark Mail Service Pharmacy, CVS Pharmacy or other pharmacies that participate in the State of Connecticut Maintenance Drug Network. ABOUT MAIL SERVICE and the STATE OF CONNECTICUT MAINTENANCE DRUG NETWORK

Where can I fill maintenance prescriptions?

The choice is yours. You can order 90-day supplies of maintenance medications at:

Mail Service: Register for mail service by phone (FastStart® toll free at 1-800-875-0867 from 8am - 8:30pm Mon - Friday) or log on to and sign in or register, if necessary. Have your Prescription Card number, the names of your medicines, your doctor's information and your payment information ready. We handle the rest.

CVS Pharmacy - Visit your local CVS Pharmacy. If you are currently using CVS Pharmacy to fill your maintenance medications, you can continue to do so. Your CVS pharmacist can dispense your 90-day supply of a maintenance medication for one copay.

State of Connecticut Maintenance Drug Network - Fill your maintenance medications at a participating State of Connecticut Maintenance Drug Network Pharmacy. If your pharmacy is participating in the State of Connecticut Maintenance Drug network, you can use the pharmacy to dispense your 90-day supply of a maintenance medication.

How long does it take for my prescriptions to arrive by mail?

Please allow 7-10 days for delivery from the time the order is placed. You can check your refill status on-line or by calling toll-free at 1-877-461-0101. Please note: Mail order packaging accommodates all temperature sensitive drugs.

How should I ask my doctor or other prescriber to write my prescription in order to receive the maximum benefit for my maintenance medication?

Remind your doctor or other prescriber to write a "90-day supply plus refills," when clinically appropriate, for maintenance medications. CVS Caremark must fill your prescription for the exact quantity of medication that your doctor or healthcare provider prescribes, up to your plan design limit. When you need to take your maintenance medication right away, ask your doctor or other prescriber for two prescriptions:

- · The first for up to a 30-day supply
- · The second for up to a 90-day supply, with refills when clinically appropriate

Have the short-term supply filled immediately at any CVS Caremark participating retail pharmacy. Then you have the choice to fill your maintenance medication using Mail Service Pharmacy, CVS Pharmacy, or a pharmacy participating in the State of Connecticut Maintenance Drug Network.

ABOUT THE CVS CAREMARK DRUG LIST

What is a drug list?

It is a list of preferred prescription medications that have been chosen because of their clinical effectiveness and safety. This list is typically updated every three months. The drug list promotes the use of preferred brand-name medications and generic medications whenever possible. Generic medications are therapeutically equivalent to brand-name medications and must be approved by the U.S. Food and Drug Administration (FDA) for safety and effectiveness. Generally, generic medications cost less than brand-name medications. You can get a drug list by either visiting www.caremark.com or by calling Customer Care toll-free at 1-877-461-0101.

Where can I get a drug list brochure?

You can get a drug list brochure by visiting Caremark.com or by calling a Customer Care Representative toll-free at 1-877-461-0101. To save money, have your doctor or other prescriber choose a generic or preferred brand-name medication from the CVS Caremark Drug List, if appropriate. You may want to take the list with you when you visit your doctor or other prescriber.
