This extended waiver and the previously approved waiver allows the City to utilize the maximum amount of available federal resources in providing housing to people experiencing homelessness, seniors, individuals with disabilities, and families with children. Furthermore it helps households secure housing and allow more options for families looking to use their housing vouchers, particularly in areas of opportunity.</p> <p>HUD approved the City request; therefore, the payment standards have been set to 120% of the SAFMR effective 1/1/23 up until 12/31/23 for each unit size by zip codes.</p>

B.2	New Activities. – Not Applicable
B.3	<p>Progress Report.</p> <p>Provide a description of the PHA's progress in meeting its Mission and Goals described in its 5-Year PHA Plan.</p> <p>The COHHA has effectively administered its programs to provide for the housing needs of the low-income populations as evidenced by its continuous high SEMAP scores, homeownership participants and continued steps to assist expansion of housing opportunities within its jurisdiction including using the highest payment standards and gaining approval from HUD for a waiver to go to 120% for setting the payment standards. The approval of the waiver will be in effect from January 1, 2023 through December 31, 2023.</p> <p>The COHHA applied to HUD's Registration of Interest for HUD-VASH Vouchers on August 26, 2022 and it was awarded twenty-five (25) HUD-VASH vouchers on November 3, 2022. The HUD-VASH program combines HUD Housing Choice Voucher rental assistance for homeless Veterans with case management and clinical services provided by the VA at its medical centers and community-based outpatient clinics or by VA contractors or VA designated entities. The VA facility refers all eligible HUD-VASH families to the PHA. This is the City's fourth award.</p> <p>The COHHA submitted a Registration of Interest under HUD's non-competitive allocation strategy and program requirements for HUD's new Stability Voucher (SV) program on October 14, 2022 as announced via Notice PIH 2022-24 (HA). This funding opportunity is designed to encourage a community-wide commitment towards the goal of ending homelessness. The City of Hartford and its HCV contract administrator, Imagineers, LLC, and the Connecticut Balance of the State Continuum of Care, CT-505 (the CoC which will serve the PHA's geographic area and refer the eligible populations) and Journey Home have committed to a partnership to pair the Stability Vouchers with services available in the community and to help support efforts to address homelessness and serve the following eligible populations: Individuals and families who are currently experiencing homelessness; Individuals and families at risk of homelessness; Individuals and families fleeing or attempting to flee domestic violence, dating violence, stalking, sexual assault; and Veterans and families that include a veteran family who served in the active military, naval, or air service, and who was discharged or released therefrom under conditions other than dishonorable. (38 U.S.C. § 101(2); 38 C.F.R. § 3.1(d). To date COHHA is awaiting a response from HUD.</p> <p>In October of 2022 COHHA received seventeen (17) incremental vouchers awarded to the PHA via the Consolidated Appropriations Act 2022 (P.L. 117-103). The Act appropriated \$200 million for new incremental vouchers pursuant to a method, as determined by HUD, which included a formula that may have been based on severe cost burden, overcrowding, substandard housing for very low-income renters, homelessness, and administrative capacity. To date all seventeen vouchers have been issued; and fifteen families have been housed.</p> <p>The COHHA will continue to expand the supply of assisted housing as they become available.</p> <p>The City of Hartford initiated a Mobility Counseling program through a partnership between the City of Hartford and Imagineers LLC. (it's HCV contract administrator) and My Sister's Place (Housing Mobility Counselor). The partnership is described in a Memorandum of Understanding (MOU) created in 2022. The City of Hartford created this arrangement in consideration of the successful relationship that was fostered under the previous partnership through the Emergency Housing Vouchers funding that was made available during 2021. In 2021 the City of Hartford Housing Authority received funding for 50 Emergency Housing Voucher Program (EHV) including set-aside funding to support mobility counseling services for EHV participants as described in HUD Notice PIH 2021-15. This effort is also in response to HUD Notice PIH 2022-18 and in anticipation of the pending March 2023 HUD Notice of Funding Opportunity (NOFO) for Mobility Related Services. The City of Hartford intends to apply for the March 2023 mobility related services NOFO, which would for the first-time provide direct ongoing funding for mobility counseling activity. It is the goal of this partnership initiative to help support as well as enhance the City of Hartford's application efforts for the future ongoing funding for mobility counseling services offered in the pending Mobility Related Services NOFO. My Sisters' Place will be providing mobility housing counseling services to the City's HCV program participants particularly for those that have children under the age of 16 and desire to be referred to these services in locating housing with an emphasis of locating housing in areas of high opportunity. The housing counseling services include pre-move counseling, helping a family identify and visit potentially available units during their housing search, helping a family find a unit that meets the household's disability-related needs, providing transportation and directions, and assisting with the completion of rental applications. These activities also include post-lease up activities often related to housing search assistance efforts, such as post-move counseling and landlord/tenant mediation.</p> <p>The COHHA will continue to consider adding additional PBV awards to encourage the development of quality, affordable housing in downtown structures for qualified income eligible households on the COHHA's rental assistance waiting list and that will be accessible to all the amenities that downtown has to offer.</p> <p>The COHHA's contractor has initiated a more vigorous landlord outreach initiative in order to solicit more landlord participation for its HCV program. It has also created a landlord portal that includes forms, information, and data that they can directly access.</p> <p>The COHHA will continue and is committed to meeting the goals and objectives outlined in its 5-Year PHA Plan.</p>

PHA Plans (including any plans incorporated therein) Strategies and actions must affirmatively further fair housing" Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan.
