Dear Ms. Sinani:

RE: APPLICATION FOR REDUCTION OF 60 DAYS WAITING PERIOD FOR DEMOLITION

In accordance with the provisions of Section 9-14(b) of the City of Hartford Municipal Code, I (we) hereby request a reduction in the sixty (60) day period of public notice required prior to making an application for a permit to demolish the building or structure at the location mentioned above.

I (we) understand that in no event may the period of public notice be reduced to less than thirty (30) days commencing on the date of publication of the first public notice required by the Ordinance.

I (we) request this reduction for the following reason:

- ☐ To allow the building to be demolished on or before the October 1st date for the assessment for real property taxes; or
- ☐ The owner of the property will secure all necessary permits and approvals from public departments, boards and commissions; will complete all steps necessary, including the financial arrangement which will permit new construction at this location; and the period of public notice required by this Ordinance is the only reason for the applicant's inability to commence site work immediately.
