# REIMAGINE, REVITALIZE & REASSERT MAIN STREET

The project includes Main Street from south of Westland to the City Limits, and Windsor Street from Boce Barlow Way to Main Street.

## Goals:

- A transformative public right of way that enables safe, comfortable, and convenient access by users of all ages and abilities.
- Contribute toward the safety, health, economic vitality, and the quality of life in a community by providing safe, convenient, efficient connections between home, school, work, recreation, and other destinations.
