Modular pedestrian refuge:

Modular median:

Hardened centerline:

Post - yellow/yellow:

Post - thin white/white:

Modular roundabout:

Edgelines only / sharrows:

What about speed humps?
Sometimes speed humps aren't the right fit for all streets. Emergency access, transit routes, or other factors can make them a challenge for streets like the ones in this project.

Post - wavy:

Black/white curbing:

Concrete barrier:

Planters:

Any other ideas?
