

TITLE VI COMPLAINT PROCEDURE

Any person who believes she or he has been discriminated against on the basis of race, color, or national origin by the City of Hartford may file a Title VI complaint by completing and submitting the City of Hartford Title VI Complaint Form. The Procurement Services Contract Compliance Unit investigates complaints received no more than 180 days after the alleged incident. The Contract Compliance Unit will process complaints that are complete.

For complaints related to Federal Highway Administration (FHWA) funded programs, the Contract Compliance Unit will immediately forward the complaint to the Connecticut Department of Transportation (CTDOT).

For complaints related to Federal Transit Administration (FTA) funded programs:

Once the complaint is received, the Contract Compliance Unit will review it to determine if our office has jurisdiction. The complainant will receive an acknowledgement letter informing her/him whether the complaint will be investigated by our office. The Contract Compliance Unit will notify the Connecticut Department of Transportation's Title VI Coordinator of any Title VI complaints filed, within 10 business days of receipt.

The Contract Compliance Unit has 90 days to investigate the complaint. If more information is needed to resolve the case, Contract Compliance Unit may contact the complainant. The complainant has 10 business days from the date of the letter to send requested information to the investigator assigned to the case. If the investigator is not contacted by the complainant or does not receive the additional information within 10 business days, the Contract Compliance Unit can administratively close the case. A case can also be administratively closed if the complainant no longer wishes to pursue their case.

After the investigator reviews the complaint, she/he will issue one of two letters to the complainant: a closure letter or a letter of finding (LOF). A closure letter summarizes the allegations and states that there was not a Title VI violation and that the case will be closed. An LOF summarizes the allegations and the interviews regarding the alleged incident, and explains whether any disciplinary action, additional training of the staff member, or any other action will occur. If the complainant wishes to appeal the decision, she/he has 21 days after the date of the letter or the LOF to do so.

A person may also file a complaint directly with the Connecticut Department of Transportation, Office of Contract Compliance, Attn: Title VI Coordinator, 2800 Berlin Turnpike, Newington, CT 06111; or directly with the Federal Transit Administration, at FTA Office of Civil Rights, 1200 New Jersey Avenue SE, Washington, DC 20590.

A complaint log will be maintained for all complaints filed with and investigated by the Contract Compliance Unit.
