Additionally, they are not Uniform Crime Reporting (UCR) or "crime rate" numbers and are not intended to be used as such. Rather, they are a breakdown of every offense within every case that occurred during the given time periods. Although every reasonable effort is made to verify their accuracy, the accuracy of any data is subject to the constraints of the report generation process as well as the manner, format and point in time of any query. Numbers may erroneously show drop in current data due to some cases not yet having been reported, approved, and/or recorded.
