May 14, 2019

This is to certify that at a meeting of the Court of Common Council, May 13, 2019, the following RESOLUTION was passed.

WHEREAS, The City of Hartford is concerned with the welfare of motorists and the cost, quality and reliability of its roads and our nation's infrastructure; and

WHEREAS, The trucking industry is an important part of the nation's economy and safely sized and weighted trucks are vital to truck drivers to conduct their essential work in a safe and responsible manner; and

WHEREAS, The state of Connecticut follows the federal pattern on 80 thousand pounds since the 80 's; and

WHEREAS, Allowing heavier or longer trucks would threaten the safety of the traveling public because heavier and longer trucks would be more difficult to control, increase wear and tear on our its streets and increase crash severity; and

WHEREAS, Connecticut has the fourth highest percentage of bridges over 50 years old in the nation at 59 percent - these bridges would need to be reinforced or replaced, costing Connecticut taxpayers millions of dollars more; and

WHEREAS, There are 2,983 bridges in fair/poor condition in Connecticut, according to the latest Federal Highway Administration data- over 70 percent of bridges statewide; and

WHEREAS, 10 of the 15 most heavily traveled structurally deficient bridges (carrying at least 500 vehicles per day) in Hartford County are in the City; and

WHEREAS, Allowing heavier trucks to operate would add new costs and proposed 100,000-pound trucks would only repay 50 percent of the damage they cause; and

WHEREAS, Government highway cost allocation studies show that increases in truck size and weight would exacerbate the existing underpayment of heavy trucks and increase their subsidization by municipalities and counties, amounting to an unfunded mandate; and

WHEREAS, Approving heavier trucks - including trucks up to 100,000-pounds – would mean more dangerous and damaging trucks running on local roads through Connecticut towns and communities where people live and work; now, therefore, be it

RESOLVED, That the City Council of the City of Hartford opposes any increase in truck size or weight at both federal and state levels.
