RE: Contract with Pitney Bowes for Mailing Equipment

Dear Council President Rosado,

Attached for your consideration is a resolution for the procurement of mailing, folding, and inserting equipment through our current vendor, Pitney Bowes, and will save the City an estimated \$11,601.60 over five years.

This resolution would allow the City to enter into a public cooperative agreement that is offered through the State of Connecticut. The City would retain the ability to cancel the agreement upon relatively short notice, and the new equipment will be provided and maintained by Pitney Bowes at no additional cost to the City.

The Finance Department is happy to answer any questions that you may have. Thank you for your consideration.

WHEREAS, the City of Hartford (the “City”) has been engaging Pitney Bowes, Inc. (the “Vendor”) to provide to the City mailing, folding and inserting equipment (the “Equipment”) to support City operations under a year-to-year arrangement, which arrangement, as determined by the City’s Purchasing Agent (the “Purchasing Agent”), has created increased costs for the City; and

RE: South Branch Park River Multi-Use Path, Conveyance of Property

Dear Council President Rosado,

Attached for your consideration is a resolution allowing the conveyance of an easement in the South Branch Park River Corridor for the purpose of maintaining an existing multi-use path and constructing an extension to this multi-use path. This easement is to be conveyed by the Housing Authority of the City of Hartford to the City of Hartford.

The initial paved path was completed in 2009 and it extends from Flatbush Avenue to Nilan Street, parallel to the South Branch Park River. The extension of the trail, from Nilan Street to Newfield Avenue, is funded with a grant from the Department of Environmental Protection. Over the past three years, staff has met with neighborhood residents and the Behind the Rocks/Southwest NRZ to confirm their continued interest in this trail. The trail has been endorsed in City plans, including the Capital Parks Plan, the Bicycle Plan, and the Plan of Conservation and Development.

On March 13, 2019 the Council approved the grant that will fund the design and construction of the trail extension.

The Department of Development Services is happy to answer any questions that you may have. Thank you for your consideration.
