FIRE DEPARTMENT **UNDERSTANDING RENTERS INSURANCE**

RENTERS INSURANCE is insurance that pays you if your personal property is damaged or stolen. Renters insurance can cover fire and smoke damage, theft, vandalism, damage from windstorms and hail, damage from explosions, water damage from plumbing issues, and many other hazards.

WHO SHOULD GET RENTERS INSURANCE?

Everyone who rents and has personal property such as TV's, furniture, clothing, jewelry, electronics, etc., should consider purchasing Renters Insurance.

WHERE CAN I GET RENTERS INSURANCE?

Renters insurance is as easy to purchase as car insurance and it may be offered by your current insurance carrier. Shop around. Ask questions. Protect your personal property.

WHY SHOULD I GET RENTERS INSURANCE?

Renters should protect their belongings in the event of a fire or other events resulting in the loss or damage of personal property. If a fire occurs in your apartment complex, even though it may not be in your rental unit, the fire, the heat, water, and/or smoke may destroy your personal property. Having insurance can be the quickest way to restore the items loss or damaged.

WHEN SHOULD I GET RENTERS INSURANCE

Renters should purchase insurance after signing a lease and make it effective on move in day and through the life of the lease.

HOW MUCH DOES RENTERS INSURANCE COST

Renters insurance is relatively inexpensive. To protect your personal property, insurance could be as low as \$12 a month. Shop around to find the best fit.

For further information, please call the Hartford Fire Department, Special Services Unit at 860-757-4520.

Guide to the Hartford Fair Rent Commission

The Fair Rent Commission is a City Commission that has the power to decide whether a rent increase or rent charged to a tenant is unfairly high.

What does the Fair Rent Commission do?

- Provides information The office at City of Hartford's Department of Development Services provides information to landlords and tenants regarding their individual rights and responsibilities. The staff responds to telephone calls and accepts walk-ins and appointments.
- 2. Resolves Complaints The Fair Rent Commission office receives complaints from tenants about rents charged for their apartments. The Commission's staff works with other city departments such as the Licenses and Inspections Division to investigate the complaints and to promote safe housing.

If the staff cannot mediate problems between the landlord and tenant, the Commission holds a public hearing. After a hearing, the Commission may order the landlord to reduce the rent. If the apartment needs repairs, the Commission may order the rent to be reduced or maintained at the current level until the landlord has made all needed repairs. The Commission may also order that rent increases be phased in gradually.

Who may file a complaint with the Fair Rent Commission?

Only tenants may file a complaint with the Commission. Any tenant who lives in Hartford may file a complaint. You do not need a written lease. You do not need a lawyer to file a complaint.

Under what conditions could you file a complaint?

- Your landlord has demanded an increase that you believe is unfair
- Your landlord wants to charge you for utilities/services when they used to be included in the rent or are shared by all tenants

The Fair Rent Commission office is located within the Department of Development Services, Division of Housing. **Contact:** Beayanka Pinckney Narraine, **Phone:** 860-757-9035 **Email:** Beayanka.Pinckney-Naraine@hartford.gov

SHOWING NEIGHBORHOOD PRIDE A RESIDENT GUIDE

The strength of our neighborhoods depends on the everyday quality of life for every resident. And while as a City, we have much work to do, it will only work if we all come together and hold each other —friends, family, customers and strangers alike — to a different set of expectations about how we treat this city, our property and our neighborhoods.

HERE ARE A FEW THINGS TO REMEMBER:

ILLEGALLY PARKED VEHICLES - It is unlawful to park on sidewalks or on lawn areas whether on the side of or front of a property. Parking on the wrong side of a street, facing opposite traffic or the odd/even side of a street according to the posted days, is also prohibited.

LOUD NOISE - It is unlawful for anyone to emit or cause to be emitted any noise beyond the boundaries of his/her premises that an be heard 100 feet from its source at day or night. Failure to comply can result in a \$90 fine, judge-ordered community service or jail sentence of up to 25 days. (*Mun. Code §§ 23; 1-8*).

LOITERING - It is unlawful for any person or group of persons to loiter (stand around, move slowly about, spend time idly, saunter, delay, linger or lag behind) the streets, sidewalks, crosswalks, walks in public parks or any other public area so as to prevent or block use by others. It is also unlawful to loiter on private property if ordered to stop by the property owner.

HOME AUTO REPAIR SHOPS - City of Hartford zoning regulation prohibits auto repair shops on residential property. Residents should refrain from auto repairs in driveways, front or side yards or on public roadways. Such activities are considered commercial uses and prohibited in residential areas. (*Zoning Reg. §§ 3.3.5.D; 3.3.5.E*)

DEPARTMENT OF PUBLIC WORKS TRASH COLLECTION INFORMATION

- Place garbage bags in trash bins versus loose trash. Loose trash in bins may result in trash falling into streets during collection

Reasons Trash May Not Get Picked Up

- You placed out items that the garbage company doesn't accept such as construction materials or hazardous waste
- Your bin was over the weight limit
- Something was blocking the garbage truck from servicing your container
- □ Your bins were set out after the truck went by your house. DPW ask that you roll your trash bins to the curb after 4 pm the night before the day of collection or before 7 am the day of collection.

Why the Garbage Truck Didn't Come

- Holiday week the observance of certain holidays may result in trash collection being delayed by one day.
- Weather delay If the weather presents a danger to the garbage collectors, services will often be delayed
- Property Not-serviceable if you live in an apartment complex or multifamily with more than 6 units, your property is not services by the City of Hartford. Please contact management

HEALTH & HUMAN SERVICES HELP CONTROL RODENTS WITH THESE SIMPLE STEPS

Oh rats! They are a part of city living but you can do your part to make sure their population is controlled by not giving them access to food or places to nest. See below for how you can keep your property rodent free.

RECOMMENDED ACTIONS:

PICK UP AFTER YOUR DOG EVERY TIME AND SECURE BIRD FEEDERS

Dog feces is as a meal for rodents. If you do not pick up after your dog, you are giving rodents an invitation to eat on your property. Bird feeders should be used with a weather guard or use seed tray.

REMOVE SOURCES OF WATER

Rodents need water a source of water to survive. Decorative birdbaths, dripping outdoor faucets or hoses, or your dog's water bowl are all places where rodents can access water. By removing the source of water, you remove a reason for rodents to be on your property.

STORE YARD TRASH APPROPRIATELY

Do not use your yard as a place to store trash. Having unused vehicles or furniture creates a space for rodents to seek shelter. The same is true of yard waste. Schedule a bulky pick up or take yard clippings to the landfill. Maintaining a clean yard deprives rodents and other wildlife of a habitat and food.

PLACE TRASH CANS CURBSIDE THE NIGHT BEFORE COLLECTION

Trash cans sitting curbside for longer than needed can attract rodents and other wild animals to your property. Trash cans should be placed curbside no earlier than the night before your collection day.

PLACE GARBAGE IN APPROPRIATE CONTAINERS

The cleaner we keep our neighborhoods, the less rodents we will see. Encourage others to not litter and to throw trash in appropriate containers, or take it home and put it in the trash there. Let's do our part to keep our City clean.

The Department of Health and Human Services uses multiple strategies to help control the rodent population. Rodenticide, dry ice, and even liquid birth control are tools used throughout the city to address the rodent population. Inspectors will step up enforcement as well. Enforceable violations include Exterior Garbage and Debris, Overgrown Grass, Weeds and Other vegetation, and blight violations.

Rodent Control Inspectors focus on multifamily dwellings and commercial properties, and help property owners get started with a pest management program. They also consult with single family property owners, but do not bait those properties. The City baiting program does not take over the responsibilities of a property manager or owner.

DOG OWNER'S GUIDE

The City of Hartford would like to provide information to residents and visitors on some common Do's and Don'ts about their responsibilities as it relates to dog ownership.

Do's

• License All Dogs Six Months or Older Annually

CT General Statute (Sec. 22-238) requires that all dogs six months or older, except dogs kept under a kennel be licensed in the town clerk's office in the town of residency <u>on or before</u> <u>June 30th annually</u>.

\$8 - neutered male or spayed female

\$19 - unneutered or unspayed female

- Keep Dogs On A Leash. It's Required By Law (Hartford Municipal Code Sec. 6-2) Dogs must be leashed at all times including in City parks and must not be allowed to "play/run" unleashed. Keep your dog close, and act as a buffer between other people. <u>Violation of this ordinance will result in a \$50 fine</u>.
- Pick Up Your Dog's Feces EVERY TIME!

Picking up of dog feces is required at all times and a minor inconvenience in exchange for a pooch's unconditional love. Feces <u>MUST</u> be properly disposed in a baggie and can be thrown in any public waste receptacle. <u>Violation of this ordinance will result in a \$50 fine</u>.

X Don'ts

- Don't Let Your Dog Defecate or Urinate On Other People's Property
 Dogs must not be allowed defecate or urinate on other people's lawns, shrubs, trees,
 mailboxes, or any other piece of property. Clean up waste as it occurs and always bring extra
 baggies.
- Don't Allow Your Dog To Jump On Other Dogs
 This type of behavior could lead to injury, and not all canines enjoy this kind of interaction. Err
 on the side of caution.

How long will my permit be valid?

- Planning & Zoning approvals are permanent, excluding future modifications.
- The Parklet Permit and Emergency Permit are valid until November 30, 2022.

How long will it take to process my application?

domingo! HARTFORD

DominGO is coming to **Hartford this Summer!**

DominGO! Hartford is an Open Streets program that will transform our streets into safe, vibrant, and healthy public spaces by making them vehicle-free.

At DominGO you can walk, run, bike, skateboard, rollerblade, use a wheelchair, or scoot through our City, interacting with businesses and neighborhoods never been able to before!

The City of Hartford, in partnership with Hartford HealthCare, will open 3-5 miles of City streets to residents on the fourth Sunday of each month from June-September 2022.

DominGO! will:

> Increase Business Activity

- > Improve Mental & Physical Health
- > Connect Communities

HOW TO ACTIVATE

Based on other Open Streets events in the U.S., we expect to see an increase in sales for businesses that engage and stay open for DominGO. Here are some ways for you to promote your business, activate the street, and participate in DominGO:

Stay open the day of the event!

Make your storefront visible from the street with decorations, banners, or sandwich boards.

- Bring your business outside! Set up goods on tables, play music, or add seating—just make sure there is a 4' path on the sidewalk.
- Have a parking lot? Put out some seating or activities for people to hang out & play with!
- Offer a DominGO discount! Incentivize participants to shop or dine at your business by offering them an event- exclusive offer.
- Put up the DominGO posters in your business or create a Facebook event.

NEED 9-1-1? CALL IF YOU CAN. TEXT IF YOU CAN'T.

Text-to-911 is now available in Connecticut. If you need help, but can't safely speak on the phone or are unable to speak, use your mobile phone to send a text message to 9-1-1.

When to use it

Calling is the best and fastest way to reach 9-1-1. But you should text if:

You're deaf, hard of hearing, or have a speech disability.

You're in a situation where it's not safe to call 9-1-1 for help.

You're having a medical emergency and cannot speak on the phone.

How it works

- 1. Enter the numbers 911 in the "To" field
- 2. Text the exact location of the emergency
- 3. Briefly describe what kind of help you need
- 4. Push the "Send" button

- 5. Respond to any questions
- 6. Follow instructions
- 7. If you're driving, pull over when it's safe. Do not text and drive!

Our branches are open!

The new Park Street Library @ the Lyric (seen above) opened in October and is the largest branch library in the city. The two-story, 13,000-squarefoot library replaces the old Park Street branch that was located in a 2,000square-foot storefront. It includes a 3,000-square-foot reading room, a separate 1,200-square-foot children's room, a small café and an enclosed outdoor patio area for performances and events. The second floor features a learning lab, conference room and a nearly 2,000-square-foot community room able to accommodate more than 150 people for meetings, lectures, performances and other events.
