# How to Translate Google Maps
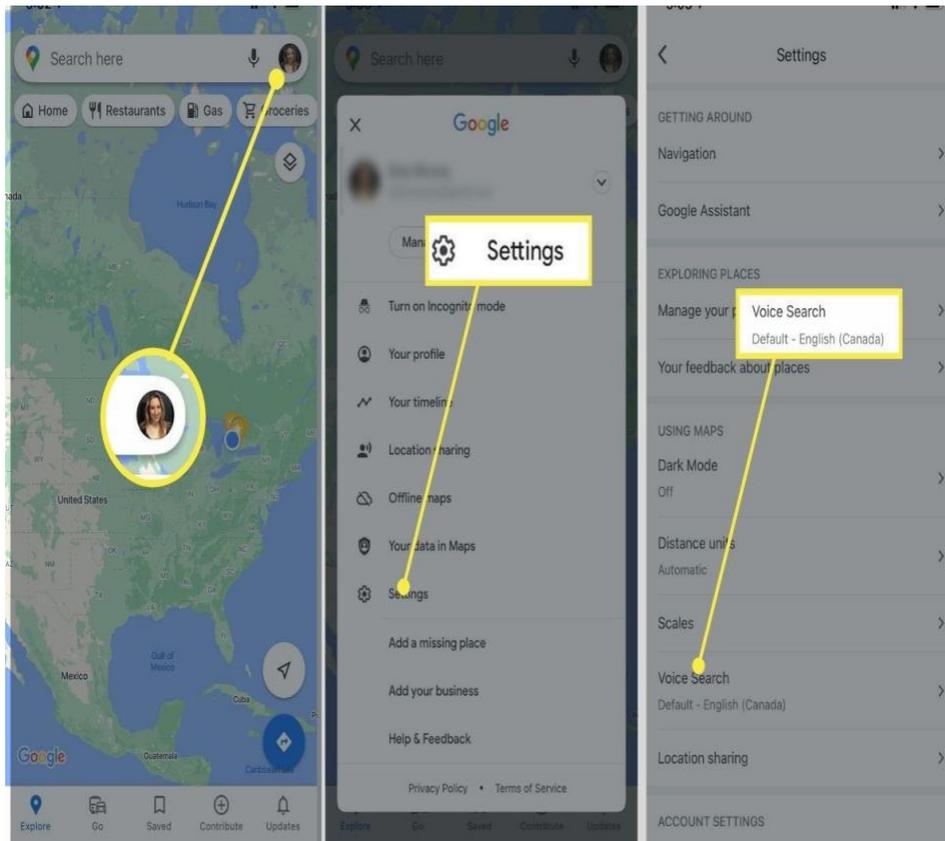

(Desktop and Mobile instructions)

Desktop/Laptop Steps:

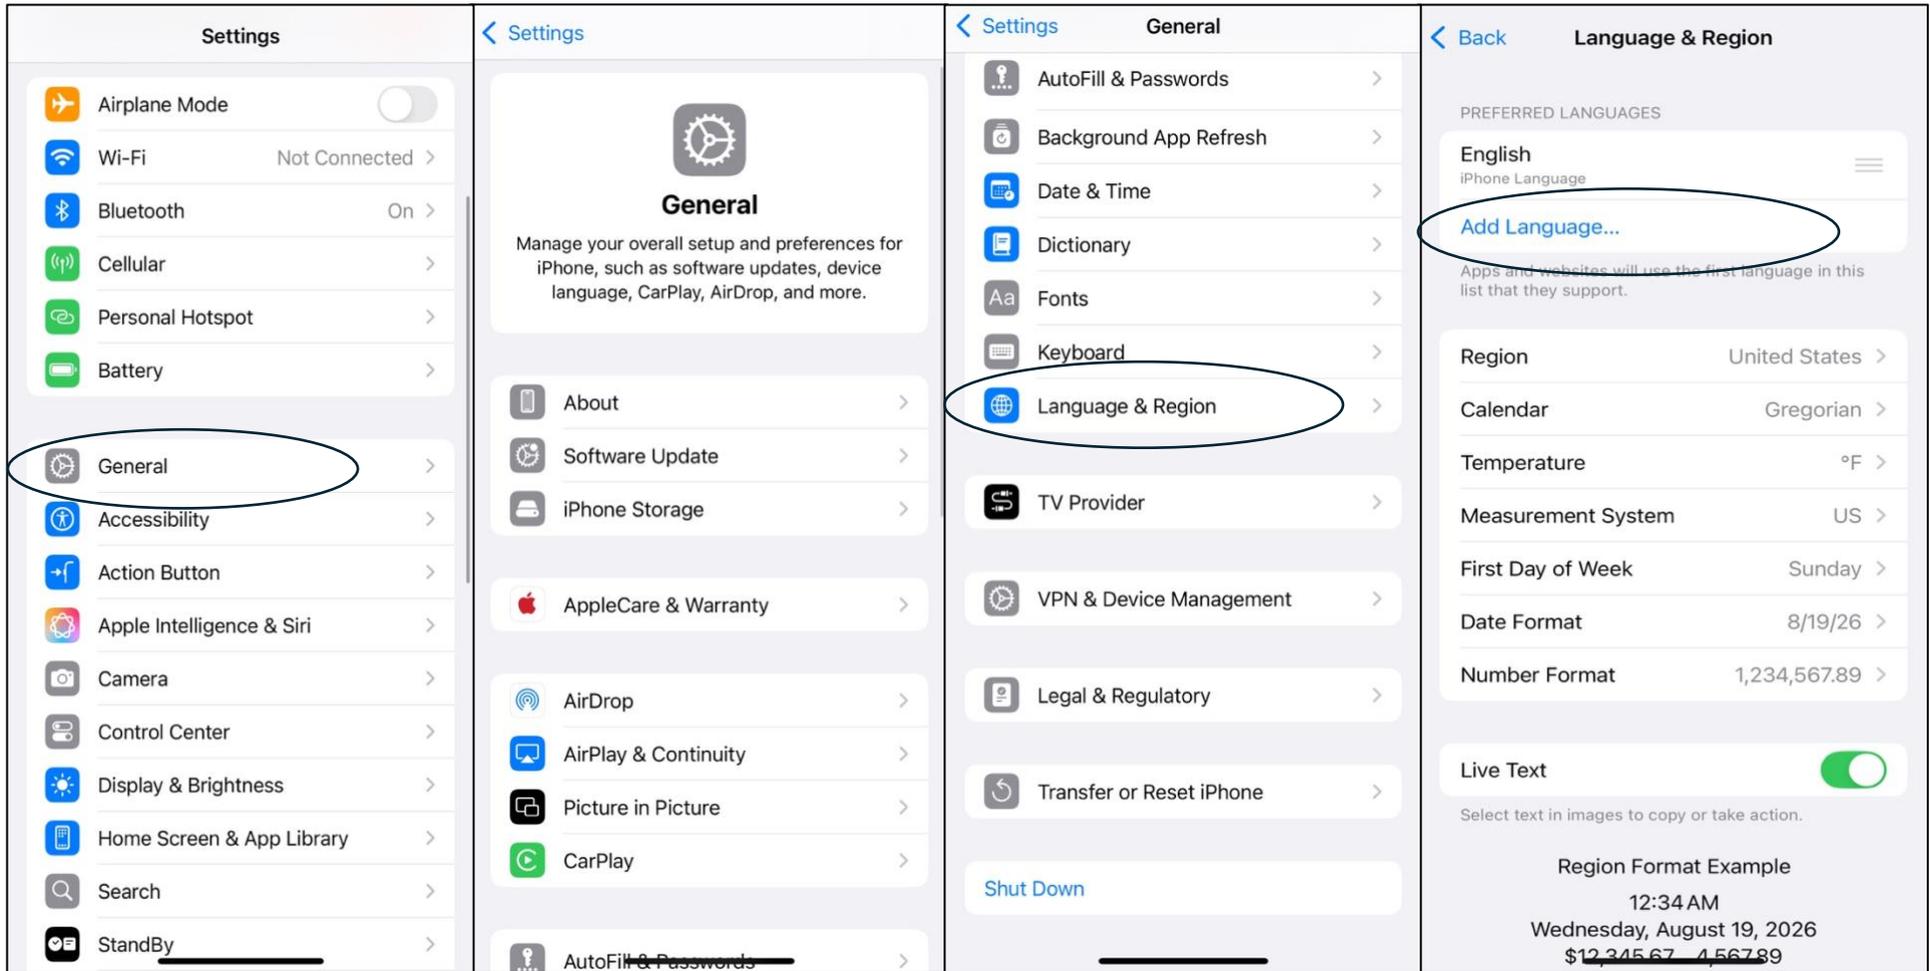

1. Open **Google Maps** in your web browser

2. Click the ☰ **Menu (three horizontal lines)** in the top-left corner
3. Click **Language**
4. Select your preferred language
5. Google Maps will **automatically reload** in that language

Mobile Steps:

Android Users

1. **Open the Google Maps app**
2. **Tap your profile picture (top-right corner)**
3. **Tap Settings**
4. **Select App language**
5. **Choose your preferred language**
6. Google Maps will refresh automatically**.**

iPhone Users

1. Go to **Settings** → **General** → **Language & Region**
2. Change **iPhone Language by selecting "Add Language"**
3. Restart Google Maps

Please note: This changes the language for all apps, not just Maps
